RGP Electronics India Pvt Ltd
An ISO 9001-2008 Certified Company

Telecom: Voice-Video-Data
Fire Alarm and Suppression
CCTV & Electronic Security
AV and Office Automation
Greetings from RGP Electronics.

RGP Electronics is a Systems Integration company, specializing in the design, development, commissioning and support of Telecom, Electronic Security and Office Automation systems.

Systems integration is all about bringing many different, and often diverse systems together and finding a way to make them work seamlessly as one. That is why systems integration can be perceived as a very challenging process.

At RGP Electronics, we specialise in making that process easy. No matter how complex the problem, we can help.
Our Vision: Providing simplified solutions through innovative technologies.

Our Mission: Is to become a leading System Integrator to all major industries by leveraging our expertise and experience.

Our Values: If we serve our clients well, success will follow. Our assets are our people and reputation. In a service business, we know that without the best people, we cannot be the best firm. We take pride in the professional quality of our work. We honour the commitment.
2001 – 2007:

- Formed “Professional Telecom Services” in the year 2001, with zero investment by 3 Service Engineers.
- Started the business with Services and Maintenance Contracts for all types of telecom products.
- Business partnership with Intellicon Pvt Ltd for C-DOT Exchanges, Karel IP EPABXs & Video conferencing.
- Sold many EPABX systems in Govt and Private organizations.
2007 - 2016:

- Incorporated RGP Electronics India Pvt Ltd in 2007
- Diversified and added new business vertical for turnkey projects in Electronic Security products like Fire Detection and Alarm Systems, Fire Fighting (Hydrant, Sprinklers, Gas flooding systems) CCTV Surveillance, Access Control, Intrusion Alarm, Entrance security, PA and Industrial Paging systems, etc.
- Received regional best achievers award from industry leading companies like Honeywell, Chubb alba, Intellicon, Beetel, etc..
- Acquired 2 firms as a part of expansion in A.P.
- Started New branch offices in Vizag, Vijayawada, Kurnool & Tirupati.
Milestones

2007 - 2016:

- Total Manpower strength of more than 140.
- Executed projects pan India – Delhi, Mumbai, Chennai, Bangalore, etc.
- ISO 9001- 2008 Certified Company for quality management system.
- CRISIL Rating : MSE * 3
- Registered in NSIC, Kendriya Bhandar, Andhra Pradesh State Technology Services and Defense Research Laboratories.
- Registered in Navaratna and Maharatna PSU’s vendor empanelment list.
- Certified and Authorized channel partners to industry leading brands like Honeywell, Mobotix, Cisco, Avaya, Unify, Tyco and many more.
- Customer base of more than 500.
Product Range - Communication

Voice
- Analog PABX Systems
- Digital/IPPBX Systems
- Asterisk S/w based SIP Servers & VoIP devices
- Multi-party tele-conf bridge: meet me / dial out/ Scheduling.
- Call Center Solutions
- Range from 8 Ports to 25000 ports.
- Apartment Intercoms.

Video
- Point to Point/ Multi Point / MCU Hardware Video Conf Systems
- Software based Video Conference Systems
- Cloud based multi party Video Conference Sys.
- Collaboration devices for Desktop Video Conf.
- Complete Board room automation solutions.

Data
- Structured Cabling solutions with Copper and Fiber Optic cables
- Wi-Fi and Point to Point wireless radio solutions
- Industrial grade active and passive items.
- PoE / PoE+ Switches
- Fiber To The Home/ GPON Solutions.
- OFC Multiplexers, etc.
**Product Range- Electronic Security**

**Fire Alarm**
- Analog Conventional and Addressable Fire Alarm Systems.
- FAAST Aspirating Smoke Detection system
- Wide range of Detectors, LHS (Linear Heat Sensing) Cables and Accessories.
- Wireless Fire Alarm Sys.
- Products available with UL, NFPA & EN Standards

**Surveillance**
- Advanced Surveillance systems with optimized network design.
- Wide range of Cameras
- Video Analytics
- Enterprise Storage.
- Centralized Control Room solutions
- SIP based Cameras with two way audio.
- Hemispheric/Fish eye CCTV Solutions, etc.

**PA & Paging**
- Zone Paging Systems
- Talk-back Systems.
- PA Systems for BGM.
- Conference Delegate System: Wired/Wireless
- IP Based PA & industrial Evacuation Systems.
- Paging Adaptors for PBX integration, etc.
Hydrant
- Fire Hydrant System. (Water-based suppression system for general fire-fighting requirements)
- Dry Riser Systems & Wet Riser Systems.
- Complete System with wide range of pipes, Valves, Pressure gauge, Pressure Switch, Flow meter, Pumps and Panels, etc..

Sprinklers
- Automatic water based sprinkler systems for quicker response.
- Wider range of sprinklers Concealed, Sidewall, pendent & upright sprinklers, Flow Switch,
- Solutions as per NFPA and TAC standards.

Gas Flooding
- Automatic gas-based systems are used to protect expensive Server rooms, Data Centres & industrial equipment’s.
- Suitable Fire suppression systems for Hot Aisle protections areas: Novec1230; FM200; IG55. CO2 Flooding Systems, etc.
Product Range - Office Automation

Access Control
- Access control and Time attendance system with wide range of reader: Biometric, Proximity, HID, RFID, Iris & Barcode for all industrial and business application
- UIDAI based Attendance
- Intrusion Alarm system
- Electronic Article Surveillance with wide range of hard tags, labels and deactivators.

A/V Solution
- Multimedia projectors and Accessories.
- Full HD Large format displays from 250nits to 5000nits
- Digital Signage solutions
- Smart TV’s with i3/i5 Sys
- VGA and HDMI Switches, scalers, extenders, etc..
- DSP’s, Boundary Microphones, wired and wireless mics

OA Products
- Multi-function printers, Scanners and Plotters.
- Network and Standalone models
- Heavy duty and High PPM printers.
- Online UPS Systems and SMF batteries.
- Float Cum Boost Chargers with redundancy options
- FAX Machines.

Offered solutions:

- 2 SIP Servers integrated on IP
- 5 Karel IP PBX Systems integrated on SIP trunking technology.
- 5 Different PBX’s integrated on IP using centralized SIP servers and gateways.
- Tunnel Communication for 22Km long with Voice over IP.
- Long Distance Extensions over fiber network

Major Projects: Telecom

Implemented @ JP Associates Limited, Hetero Drugs Limited, Biological E Limited, Meenakshi Energy Limited, Naval Dockyard, SoCtronics Technologies...
Offered solutions:

- Multi Location SIP Server
- Mix of Multiple PRI and FXS Gateways
- Teleconference
- Integration with Traditional TDM PBX Systems and Existing IP PBX System over VPN Network.
- Mix of Softphone, Deskphone and Mobile users.
Offered solutions:

- Multi Party Conference Bridge: 30 Party & 60 Party teleconference over ISDN PRI Lines and IP Extensions.
- Conference Control by Software on LAN.
- Conference recording.
- Different type of Conference methods: Meet-me, Auto Dial-Out, Scheduled Conference.

Implemented @ AP, Telangana and Karnataka State Police Departments, Intelligence Departments, Central Security wings, etc. (Repeat Orders)
Major Projects: Telecom

Offered solutions:
- Multi Party Video Conference Hardware Based.
- Multi Party Video Conference Software Based.
- Brands: Polycom, Cisco, Peoplelink, Aethra.

Implemented @ Biological E Limited, Meenakshi Energy Limited, Defense Labs, Amaravathi Metro Corporation, Amara Raja,.
Offered solutions:

- Multi Party Video Conference
  Hardware Based.
- 15 Party Video Conference
- Brand: Polycom
- Mix of Full HD end-points, desktop clients, Ipad Users and Mobile Users.
- Scheduled and Ad hoc Conference

Implemented @ AP Genco, Vijayawada.
Major Projects: Telecom

Offered solutions:
- Digital Call Center Solution on Avaya IPOCC- Server Edition.
  with Interactive Voice Response, Uniform Call Distribution, Agent reports, remote dash board on IP, Voice recording applications.

Implemented @ Meeseva, Telangana
Offered solutions:

- Networking of multiple Fire Alarm panels spread across different plants. Interconnected over IP with centralized software.

Implemented @ Hetero Drugs Limited, Bharathi Cement Corporation Limited.
Major Projects: Fire Alarm

Offered solutions:
- Very Early Smoke Detection and Alarm System – Latest Technology.

Implemented @ India Cements.
Major Projects: Fire Protection

Offered solutions:
- Fire Hydrant, Sprinkler, Novac 1230 Fire suppression systems.

Implemented @ TTD, L & T, Amaravathi Secrétariat, TCS Adibatla,
Major Projects: IP Surveillance

Offered solutions:

- IP Surveillance on Wireless network.
- Mix of CCTV, Video Management software, Gatepass Management software, Data network with Fiber and Wireless (Point to point & point to multi point), Access Control, Server, Storage management, Mechanical tower fabrication and installation, etc..

Implemented @ Kakinada Seaport.
Major Projects: IP Surveillance

Offered solutions:

- IP CCTV:
  Outdoor with 3MP motorized zoom cameras
  All NVR’s interlinked to central command center over IP.

Implemented for Cyberabad Commissionrate under Community CCTV Project.
Major Projects: PA and Paging

Offered solutions:

- Public Address & Voice Alarm System with different voice prompts zones and paging stations.
- Integration with PBX System
- Conference delegate System.

Implemented @ Hetero Drugs, Hexagon Capability Center. AP Police Academy.
Offered solutions:

- Plant Communication System with Weather proof, Flame proof and Explosion proof speakers and field call stations.
- PA Zone Selector and Talkback system.

Implemented @ IOCL Plants.
Mitsubishi Electric- Pattiseema Project
On-going Projects

Offered solutions:
- Audio Visual Solution for Auditorium

Sabha Bhavan
On-going Projects

Offered solutions:
- Gas Flooding System.
